New Mexico state law requires NM registered outfitters to have signed contracts with their perspective clients before applying in the 10% outfitter pool. NM state law also requires any applicant who receives a valid license by applying with a NM outfitter number must be accompanied in the field by that outfitter or their registered guide for at least the first 2 days of their hunt. H&A Outfitters, Inc. requires a two person minimum for our semi-guided service and a \$100 one- time, non-refundable fee per person to apply yourself for New Mexico outfitter draw hunts utilizing our outfitter number. This will allow you to apply yourself for 4 consecutive years in the outfitter's draw pool or until you draw a tag or tags, whichever comes first. If there is a lapse by anyone in your party in the 4 year period, the contract is void. You can apply for up to two species: Elk and Deer. When you get drawn, your total hunt cost is due within 15 days of the draw release date.
